SUNY Oswego recognizes that there are compelling reasons for some families to choose private elementary and secondary schools for their children. It is our policy to allow a deduction of up to \$5000 per child, based on documented out of pocket cost, when calculating eligibility for financial aid. The Financial Aid Office will notify the student if there are any adjustments to their financial aid package as a result of this review.

Please indicate the amount of elementary or secondary tuition charged for each child for one academic year, and any assistance received from the school to pay that expense in the chart below.

Name	Age	Name of School	2020-2021 Tuition Charge	2020-2021 Assistance Received	2021-2022 Tuition Charge	2021-2022 Expected Assistance

Attach the statement/bill from each institution for all students listed on this form as documentation of charges incurred.
