E. Implementation of Policy

1. The college will attempt to reduce the potential for campus violence by positively affecting the attitudes and behavior of its employees and students by:
   - Making all current and new employees and students aware that violence or threatening behavior on campus will not be tolerated.
   - Creating a low-risk campus environment. All employees in positions of authority are expected to promote positive behavior and to lead by example, by treating employees and students with the respect and dignity to which each is entitled. Emphasis will be placed on creating a campus where established standards of conduct are clear, communicated, and consistently enforced, and where discipline is used
fairly and appropriately to deal with instances of unacceptable behavior.

- Developing procedures for increasing awareness and prevention of threatening behavior, violence, and harassment on campus.
- Training employees.
- Encouraging employees and students to use available counseling and assistance services when needed, including the referral of employees to the Employee Assistance Program (EAP) when deemed appropriate. Both victims of violence and those who commit violent acts or have threatened to do so may be referred for such services.

2. The college will deal with threatening behavior, violence, and harassment on campus by:

- Designating a campus representative to take campus violence complaints (Judicial Affairs Director when the complaint involves a student(s) and the Director of Human Resources when the complaint involves an employee(s).
- Requesting that all employees and students report all threatening behavior, violence, and harassment in a timely manner as set forth in this policy and in the procedures of the campus judicial system.
- Quickly dealing with threatening behavior, violence, and harassment. Supervisors are specifically empowered by this policy to take immediate action to resolve or stabilize violent situations on campus and to protect people from harm.
- Promptly and properly investigating all complaints of threatening behavior, violence, and harassment.
- Ensuring that the Judicial Affairs Director, the Director of Human Resources, and/or the Chief of University Police take appropriate disciplinary action.
- Supporting the continuation of a good working relationship between University Police and local law enforcement.
- Employing legal remedies that address issues of workplace violence (i.e., restraining orders).
- Creating and maintaining the highest practical level of physical security on campus.
- Maintaining accurate records on campus violence.
