# Computer Ergonomics Assessor Training

The NYS & CSEA Partnership for Education and Training will be offering Computer Ergonomics Assessor Training to equip employees with the ability to conduct workstation assessments to reduce injuries and illnesses associated with computer operations. Employees who participate in this training will be able to:

- Define ergonomics
- Identify common musculoskeletal disorders
- Describe other computer-related health effects
- Recognize risk factors and prevention controls
- Conduct computer workstation assessments

Two sessions of the Computer Ergonomics Assessor Training will be held on the following dates and locations:

- November 12, 2015  
NYS Dept. of Financial Services  
One State Street  
New York, NY 10004  
1:00 p.m. to 5:00 p.m.  
Roster Due Date: October 30, 2015

- December 2, 2015  
NYS Dept. of Environmental Conservation  
270 Michigan Avenue  
Buffalo, NY 14203  
8:30 a.m. to 12:30 p.m.  
Roster Due Date: November 13, 2015

Employees who will be assigned to conduct workstation ergonomic assessments, including safety and health professionals, human resources personnel, AAO/ADA officers, and support, maintenance, or purchasing staff members, regardless of bargaining unit, are encouraged to attend.

To register employees for the training, agencies must complete the certified course roster and return it to the Partnership by the deadlines noted above.
