

# Statewide Targeted Tuition Program for Welding

*Your Success is Our Success.*

**The Statewide Targeted Tuition Program for Welding** provides additional tuition assistance to CSEA-represented NYS employees. Eligible employees can receive up to two extra tuition benefits, per fiscal year, for welding courses.

*\*Please Note: CSEA-represented NYS employees who participate in one of our targeted programs may receive two additional benefits each program year. If you earn more than \$5,250 in tuition benefits during a calendar year, it could be considered taxable income. For more information, please contact our Partnership Advisors at 518-486-1427 (Press Option 1) or email [advisors@nyscseapartnership.org](mailto:advisors@nyscseapartnership.org).*
