ON-CAMPUS LIVING AT SUNY OSWEGO

REQUIREMENTS FOR INTERNATIONAL STUDENTS

Living on campus is an integral part of the educational experience at SUNY Oswego. Residence hall living immerses students in our campus, providing support and ready access to the intellectual and social events and organizations that are a vital part of the liberal arts college environment. For these reasons, most incoming International Students are required to live in the residence halls at SUNY Oswego

Specifically:

- UNDERGRADUATE DEGREE STUDENTS are REQUIRED to live on campus at SUNY Oswego unless they are 21 years-of-age.
- ALL EXCHANGE STUDENTS are REQUIRED to live on campus for at least one full semester.
- GRADUATE STUDENTS are NOT REQUIRED to live on campus but are welcome to do so.

UNDERGRADUATE DEGREE STUDENTS

Undergraduate degree students are typically housed in the Hart Hall Global Living & Learning Center. These arrangements are made during the Admissions process.

EXCHANGE STUDENTS AND GRADUATE STUDENTS

There are three primary housing options for International Exchange and Graduate Students at SUNY Oswego:

1. Hart Hall Global Living & Learning Center*
2. Funnelle Hall
3. Moreland Hall

These communities are traditional corridor-style residence halls with shared single-gender bathrooms. With a few exceptions, students are housed double occupancy (two students of the same gender sharing a bedroom). See the RESIDENCE HALL OPTIONS document for more specific information about these residence halls.

* Hart Hall residents must enroll in and successfully complete the one-credit IST 190/390 course and perform 10 hours of community service each semester.

APPLICATION PROCESS

Exchange Students and Graduate Students arrange for housing as follows:

1. Review the information about the different Housing Options
2. Complete, sign and return the following forms to the Office of Residence Life and Housing at reslife@oswego.edu:
   - International Exchange and Graduate Student Housing Preferences Form

International Exchange and Graduate Student Housing Preferences

Room assignments are made based on space availability. For this reason, while Residence Life and Housing will make every effort to honor your housing preferences, we cannot guarantee that your preferences will be granted. Please be honest and thorough when responding to all applicable items below.

Roommate Preference Information:

Roommate requests must be mutual; in order to potentially be housed together, your requested roommate must also request you. Roommate requests take priority over hall preferences; if we are able to honor your roommate request, it is not likely we can also honor your hall preferences. For yes/no questions, please circle your response.

1. Do you have a specific roommate request?  
   If so, please write his/her name here:  

2. If available, would you prefer an American roommate?

SUNY Oswego is a smoke-free campus. However, residual smoke on clothing and other personal belongings can be problematic for roommates. Your honest answers to the following questions are critical for roommate matching.

3. Do you smoke?

4. Are you willing to live with a smoker?

Hall Preferences:

Please rank order the following three residence halls in order of your preference. Write "1" in the box next to your first choice, a "2" in the box next to your 2nd choice, etc.

Any person signing/accepting the terms of this document is required to comply with all College and Residence Life and Housing rules, regulations, and policies as stipulated herein, in the current Student Handbook, Resident Student Handbook and The Village Resident Handbook.

The College’s policy prohibiting harassment or discrimination based on an individual’s race, religious belief, gender, national origin and sexual orientation applies to all policies and procedures of the Department of Residence Life and Housing, including those related to room assignments, roommate relations, employment and behavioral expectations of residents.

COLLEGE HOUSING POLICY
The College believes that immersion in the educational environment is the preferred experience for new students. Therefore, all full-time undergraduate students who will need to establish an Oswego-area residence in order to attend the College are required to live on campus to the extent that facilities are available and utilized.

Students generally exempted from this requirement are those who:
- will continue to reside with their parent(s) or legal guardian(s);
- will continue to reside in their official residence, which is separate from that of their parent(s) or legal guardian(s), and at which they had resided for at least three consecutive months prior to their acceptance of the admissions offer from the College;
- are married; or
- are twenty-one (21) years of age as of September 1 for Fall admission or January 1 for Spring admission.

Students in these categories must submit a Request for Exemption form available on the Department’s web site at 303 Culkin Hall.

Due to current facility availability, students who fulfill specific criteria will be considered as having fulfilled the Housing Requirement and would no longer be required to live in College Housing; these students are those who first enrolled at SUNY Oswego as:
- first year/freshmen students and have lived in residence at SUNY Oswego for four (4) consecutive semesters (fall and spring) if admitted in the fall or three (3) semesters if admitted in the spring.
- or-
- transfer students and have lived in residence at SUNY Oswego for two (2) consecutive semesters (Fall and Spring) if admitted in the Fall or one (1) semester if admitted in the Spring.

ELIGIBILITY
General
All full-time matriculated undergraduate students are eligible to live in SUNY Oswego residence halls. Some specific residential communities have additional eligibility requirements. Specifically,

- Lonis Hall is an option for seniors, juniors in the College Honors Program, graduate students and other students who are 21 years-of-age or older.
- Onondaga Hall houses students who have lived on the SUNY Oswego campus for at least two academic semesters.
- Sheldon Hall is available to students with at least 45 earned academic credits.

The Village
The Village townhouse community is for students of at least junior status who have lived on campus at Oswego for a significant portion of their undergraduate experience. Specifically, to take occupancy in The Village, residents must have at least 57 earned credits and have fulfilled the requirement for semesters lived on campus at SUNY Oswego based on their status when they first enrolled at SUNY Oswego (3 regular semesters if they first enrolled as freshmen; 1 regular semester if they first enrolled as transfer students). Most assignments to The Village are made during the Village Room Selection process, which takes place during the preceding spring semester. To be eligible to participate in the spring Village Room Selection process for the upcoming year,
- current RESIDENT STUDENTS who first enrolled at SUNY Oswego as freshmen must:
  - have at least 42 earned credits,
  - have lived on campus at Oswego for at least 3 regular academic semesters (can include current semester) and
  - be enrolled as full-time students.
- current RESIDENT STUDENTS who first enrolled at SUNY Oswego as transfer students must:
  - have at least 42 earned credits,
  - have lived on campus at Oswego for at least 1 regular academic semester (can include current semester) and
  - be enrolled as full-time students.
- NON-RESIDENT STUDENTS who first enrolled at SUNY Oswego as freshmen must:
  - have at least 42 earned credits
  - have previously lived on campus at Oswego for at least 3 regular academic semesters and
  - be enrolled as full-time students.
- NON-RESIDENT STUDENTS who first enrolled at SUNY Oswego as transfer students must:
  - have at least 42 earned credits,
  - have previously lived on campus at Oswego for at least 1 regular academic semester and
  - be enrolled as full-time students.
The College does not discriminate on the basis of race, religion, national origin, or sexual orientation in making room assignments.

This Agreement's provisions shall not be effective and assignments cannot be made until the student's formal admission to the College is completed, the terms of this Agreement have been accepted and a $100 Housing Deposit has been received by the College. Acceptance of the terms of this Agreement can be declared electronically or by signing and returning a hard copy of the document to Residence Life and Housing. Housing Deposits can also be made electronically or directly through the Student Accounts Office, 401 Culkin Hall.

The Department of Residence Life and Housing will attempt to honor room, suite and housemate requests when all students involved have mutually agreed in writing at least sixty (60) days prior to the upcoming room, suite and housemate requests. The College will assign room, suite and housemate for students who do not request specific mates.

New Students
Beginning in late January/early February, each new/enrolling student who has paid the Housing Deposit will receive information regarding when and how to submit their New Student Housing Application online.

Current / Returning Students
Current students select rooms for the next academic year during Room Selection, which occurs each spring semester. There are two Room Selection processes: Village Room Selection and Residence Hall Room Selection. Both processes require pre-registration, payment of the $100 Housing Deposit, acceptance of the terms of the Room & Board Agreement, submission of housing preferences and participation in lottery(ies); the lotteries determine each student's priority order for choosing from available rooms. Students can request specific buildings, rooms, and/or mate(s). Requests shall be honored in accordance with the room selection procedures as established by the department.

Students assigned to The Village MUST attend at least one Village Orientation Session prior to taking occupancy; failure to do so may result in reassignment to a different residential community. All students assigned to The Village as part of a matched group may be reassigned to a different residential community if any one member of the matched group fails to attend the required Orientation(s). Students assigned to The Village after all scheduled Orientation Sessions have taken place MUST attend a session shortly after move-in as directed by Residence Life and Housing.

ROOM AND OCCUPANCY TYPES
Room Types
The vast majority of residence hall rooms at SUNY Oswego are "doubles." A limited number of Triple, Quad and Single Rooms are available for eligible students.

Occupancy Types
• Standard Occupancy: The College designates the Standard Occupancy for all living units. This term refers to the number of individuals a specific type of room can comfortably accommodate.

The Standard Occupancy for each room type is:
- Double Room: two students of the same gender
- Triple Room: three students of the same gender
- Quad Room: four students of the same gender
- Single Room: one student

Standard Occupancy for townhouses in The Village is six individuals and four individuals, all in single bedrooms; specifically, there are 38 houses with a Standard Occupancy of six students and 30 houses with a Standard Occupancy of four students. Townhouses can be single-gender or mixed-gender; residents choosing assignment to a mixed-gender townhouse must sign a Mixed-Gender Townhouse Agreement before taking occupancy.

• Plus Occupancy is defined as Standard Occupancy plus one (such as three persons in a double room, four persons in a triple room, etc.).

OCCUPANCY CHANGES
The Assistant Vice President for Residence Life and Housing, or designee, reserves the right to reassign residents, maintain rooms at their assigned occupancy by filling vacancies, and adjust the occupancy of rooms. Further, the Assistant Vice President, or designee, may reassign any room at his discretion. In the event a student fails to officially check-in to the residential facility and occupy his/her assigned room by noon on the first day of classes, the room may be reassigned unless prior arrangements for late arrival have been made. Failure to officially check-out of the residence hall, without notifying the Assistant Vice President for Residence Life and Housing, may result in continuing liability for room rental charges.

Residence Hall Rooms
Standard Double Rooms: Generally, if a resident's occupancy of a Standard double room with a roommate changes to occupancy without a roommate at any time during the semester, the resident must sign an amendment to this Agreement choosing one of the following options: (1) request that a roommate be assigned when available; (2) consolidate with another student who is also without a roommate; or (3) pay a single room rate for the balance of the Agreement. Generally, option 3 is not offered to first year or sophomore students, or Hart Hall residents, and is only offered to others on a space-available basis.

Standard Triple and Quad Rooms: During the term of the Agreement, if the number of residents assigned to a Triple Room or a Quad Room drops below its Standard Occupancy, the remaining occupants will be asked to choose from the following options: (1) request that a roommate be assigned or identify current student(s) who will move into the room to bring it back to Standard Occupancy; or (2) move into a vacancy in a Standard Double room; or (3) pay the designated premium to remain in the under-occupied Triple or Quad; option 3 is only offered if space is available. Residents choosing option 1 must have the room in move-in condition satisfactory to the College within one class day after receiving notification of the assignment of a new roommate. Failure to do so or failure to accept a roommate when assigned by the department may result in a single rate assessment retroactive to the date on which occupancy without a roommate began.

The Village Townhouses
Generally, if the occupancy of a townhouse falls below its Standard Occupancy, the remaining residents must sign an amendment to this Agreement which outlines the residents’ options for filling the vacancy(ies). Such amendment will generally offer residents of single-gender townhouses the following options: (1) within a stated time period, identify an eligible student(s) who will move into the townhouse; or (2) request that Residence Life and Housing assign an eligible resident(s) when available. The amendment for residents of mixed-gender townhouses will generally offer these options: (1) within a stated time period, identify an eligible and appropriate student(s) who agrees to live in the mixed-gender arrangement; or (2) request that Residence Life and Housing assign an eligible resident when available. Based on campus housing needs, if residents are unable to identify eligible and appropriate student(s) to move in AND Residence Life and Housing has no eligible students wanting to move.
into the mixed-gender house, the department may choose to convert the townhouse to single-gender and relocate those residents affected by the change.

### RATES, BILLING & REFUNDS

**Oswego Guarantee**

*Through its Oswego Guarantee, the College shows its commitment to students’ ability to complete their academic program in four years if they meet certain requirements. The Guarantee further promises that students will not experience a housing or meal rate increase for four consecutive years. Therefore, students’ room rates are determined by the year that they first matriculated at the College. Students assigned to The Village will pay their Oswego Guarantee Single Room Rate, see page 8.

*This is a summary of the Oswego Guarantee. The full text of this pledge can be found at http://www.oswego.edu/admissions/undergraduate/oswego_guarantee.html

**Room Rates**

Based on the Oswego Guarantee, a student’s room rate is based on their year of first matriculation at SUNY Oswego. Each student’s Oswego Guarantee Room Rate is further broken down by Room and/or Occupancy Type; the specific residential facility assignment (specific residence hall or The Village) does not influence room rates.

**Billing Procedures**

New students are billed the standard double rate with an adjustment made if they are assigned to Plus Occupancy and remain there after the seventh calendar day following and including the first instructional day of the first and third academic quarters or the first day of the second and fourth academic quarters. A resident who receives notification from the Assistant Vice President for Residence Life and Housing or designee of a change in occupancy or assignment effective with the beginning of the next academic quarter will be recorded in that changed occupancy and billed accordingly.

**Refunds**

- **Housing Deposit Refunds**
  The Housing Deposit is refunded only in accordance with the following:
  
  I. If, after paying the deposit, the student does not enroll, the deposit is refundable if written application for refund is made to the College before August 1 for fall semester or before December 1 for the spring semester.
  
  II. If the application is made and the resident withdraws to enter military service, the refund will be granted automatically.
  
  III. If, during the Village Room Selection process, the student is not assigned to The Village.

- **Housing Payment Refunds**
  Housing payment/room rental refunds are based on the date personal belongings are removed from the room/suite/townhouse, any assigned keys are returned, the room/suite/townhouse is inspected by a member of the Residence Life staff, debts related to room rental incurred by the resident have been paid in full to the College and the resident officially checks out of the room/suite/townhouse. Students withdrawing from the College or released from residence after August 1, but prior to taking occupancy, who have prepaid room and (meal plan) are entitled to a refund less the $100.00 Housing Deposit. Details for Room Rental Refunds are listed in the Resident Student Handbook.

### TERMINATION/CANCELLATION POLICIES AND PROCEDURES

**Withdrawal from the College**

Residents withdrawing from the College are required to terminate their Room and Board Agreement by notifying the Assistant Vice President for Residence Life and Housing in writing at the earliest possible date. Such notice must be signed by the student and must include the student’s identification number and date on which the withdrawal becomes effective. In the event a resident withdraws or disqualifies from the College after the fall semester and before the beginning of the spring semester, and/or otherwise fails to register for the spring semester, the resident must officially terminate residency prior to the date of re-opening of the residential facilities for the spring semester, which is published in the Resident Student Handbook.

Residents who withdraw from the College during an academic semester must vacate the residential facility and remove all personal belongings from the premises no later than 11:59 pm of the date on which termination of this Agreement becomes effective.

**Registered Students**

Permission to terminate this Agreement is requested by submitting a Request to Terminate the Room and Board Agreement form with required documentation at least 30 days prior to the proposed date of termination. The Assistant Vice President for Residence Life and Housing or his designee may approve or deny a properly filed Request to Terminate. In exercising his discretion, he shall give consideration to documented individual circumstances beyond the control of the individual, which did not exist at the time this Agreement was signed/accepted by the individual. The specific documentation required is based on the individual circumstances cited as the reason for the request. Common types of requests include, but are not limited to, those based on financial situation, medical condition and personal circumstance. Detailed information about specific documentation requirements is available on our website and in our office.

PLEASE NOTE: Decisions regarding requests based on financial circumstance will not be considered unless the student/family has accepted all available financial aid and loans AND a significant unmet financial need still exists. Approval of a Request to Terminate, if granted, is at the discretion of the College, not the student; further, such approval releases the College from any present or future obligation to provide room and (meal plan) for that resident and the space he/she has previously occupied may be reassigned at the option of the College.

Failure to (1) pay room and (meal plan) charges upon receipt of a bill, or (2) officially check-in to the residence hall, or (3) use accommodations as provided does not release a resident from the obligations created by signing/accepting the terms of the Room and Board Agreement.

### Official Termination of Occupancy

All students terminating residence must:

1) Submit to Residence Life and Housing a completed Request to Terminate the Room and Board Agreement

2) Remove all personal property from the room/suite/townhouse

3) Have the room/suite/townhouse inspected by a Residence Life and Housing staff member, including completion of the Room/Suite/Townhouse Inventory and Condition Record

4) Turn in any assigned keys at the front desk of the community

5) Complete all other official check-out procedures.

Failure to do so by the stated deadline may result in:

- Continued room rental charges for the period of elapsed time until such action is completed by the resident, and/or
- Financial charges for the cost of the labor and materials used to pack
and temporarily store abandoned personal property, and/or
• Disposal of personal property not reclaimed after temporary storage.

USE OF RESIDENTIAL FACILITIES
A room/suite/townhouse may be occupied only by the resident(s) to whom it is assigned and that resident’s visitors and guests. (See Rules Governing Residential Facilities section of the Resident Student Handbook for further guidelines regarding guests and visitors.) New and returning students may occupy their rooms according to the schedule published by the Department of Residence Life and Housing. Students given permission to occupy their rooms prior to the published date will be charged $37 per day for room (plus approx. $15 per day for meals) or $20 for leaving personal belongings only, unless the charge is specifically waived by the Assistant Vice President for Residence Life and Housing or designee.

Unless otherwise provided for by the Assistant Vice President for Residence Life and Housing or his designee, a resident shall have no right to enter, use, or occupy residential facilities during any period when the College is not in session for formal academic purposes (see Housing During Periods of Recess below).

Residents may leave personal property in assigned accommodations during periods of recess. However, the College cannot guarantee security or assume responsibility for any loss of those belongings. There is no storage available over the summer. For the purpose of this Agreement, personal property shall include any property, excluding College-owned furnishings, in the possession of the resident, located in the confines of his/her assigned quarters or in other areas including luggage and storage rooms in any building or on the grounds of the campus. Residents are encouraged to obtain insurance coverage for such belongings. The resident’s and/or the parent’s or guardian’s acceptance of this Agreement shall be construed as acceptance of any and all such risk. All residents must vacate the residence hall and remove all personal belongings from the premises in accordance with the termination or expiration of this Agreement. If personal belongings are not removed from the premises, the resident, by signing this Agreement, authorizes and agrees to pay a per day room rental charge to the College for each day that the room was not available for reassignment by the College. Further, the resident agrees to pay such fees as are assessed by the College for the labor involved in the removal and storage of the resident’s personal belongings, and the College shall not be responsible for any resulting loss or damage to those belongings abandoned by the resident.

Housing and room assignments are not transferrable; students may not assign this Agreement or sublet the premises or any part thereof. Subletting includes, but is not limited to, short-term or temporary rental arrangements such as those offered through peer-to-peer services like Airbnb, Craigslist, or Couchsurfing. Assigning or subletting may result in disciplinary action and/or cancellation of the Agreement without compensation.

Housing During Periods of Recess (Break Housing)
The College recognizes that some residents must remain in Oswego during periods of recess (i.e., Thanksgiving, Winter and Spring breaks) when traditional residence halls are closed. The Department of Residence Life and Housing provides special Break Housing for our residents. Information about and applications for Break Housing may be obtained prior to each recess from the office at 303 Culkin Hall. Residents requiring such accommodations are asked to complete a reservation process by the dates published by the office for each break period. Residents will be assigned on a space-available basis. Frequently, assignments will be in rooms and buildings other than the student’s regular assignment. Also, residents assigned to Break Housing may be required to purchase a break meal plan at a cost of $15* per day.

All College and Residence Life and Housing policies are in effect during periods of recess as they are throughout the regular academic year. Further, residents living on campus during periods of recess are required to adhere to special security requirements as stated in the Break Housing Agreement. Break Housing can be reserved by the day, by the week or for the entire break period. Residents requesting housing for the entire break period are charged the best rate. Break Housing rates are listed below.

The Village remains open for the Thanksgiving and Spring Recesses and a portion of Winter Recess (specific dates are determined annually); Village residents wishing to stay during these times must contact the Residence Life and Housing office to make arrangements, which includes signing a Break Housing Agreement.

USE, CARE and RESPONSIBILITY for ROOM and FURNISHINGS
Residents will be held responsible for any deterioration in the condition of their assigned room/suite/townhouse (including both sides of doors), its assigned furnishings, assigned bulletin (meal plan) (as applicable) and for any loss or damage other than normal wear that may occur during their occupancy. All occupants of a living unit may be held equally responsible for losses or damages to the living unit or its furnishings and/or fixtures, including cost of replacement or repair and all reasonable expenses resulting therefrom. Residents of a living unit are responsible for the security and use of the living unit in accordance with College and Residence Life and Housing policies, rules and regulations. Charges for loss or damage will be added to the student’s College bill and are to be paid within 30 days.

Unauthorized use of furnishings or fixtures, including but not limited to the moving of furnishings provided in a common area into or to a resident’s living unit is prohibited and shall result in a liability for the expense of return to the common area and/or repair or replacement of said furnishings or fixtures. Any unauthorized repairs and/or alterations made to the premises or its furnishings by a resident shall not mitigate any damage expense incurred by the resident. The College will not be liable for the amount of money incurred by the resident or any expense for his/her services resulting from unauthorized alteration or enhancement of the premises, its fixtures, or its furnishings. If a student receives prior authorization from the Assistant Vice President for Residence Life and Housing or his designee, repairs and/or improvements may be made that could mitigate damage expenses if such work is accepted and approved by the Assistant Vice President for Residence Life and Housing or his designee.

Assessment for damaged or missing property shall be made in accordance with the schedule of charges prepared by the Department of Residence Life and Housing. Items not covered by this schedule will be assessed by proration of depreciation or the cost in labor and materials
to restore them. Residents are expected to report to staff specific items which they notice as damaged or in need of repair in their assigned living unit, public areas and corridors.

Resident's rooms are furnished with beds and mattresses, desks and desk chairs, dressers, floor lamp(s), mirrors, and wastebaskets. Each item within the room is inventoried and assigned to the room. The exact inventoried items must be in the room upon final inspection prior to checking out. Residents must review with a Residence Life and Housing staff member and sign the Room/Suite/Townhouse Inventory and Condition Record form prior to taking occupancy. Upon termination of occupancy, residents must have a staff member inspect the condition of the room/suite/townhouse; whenever possible, the resident will be informed and assessed a repair or replacement charge for damaged or missing items. Residents may appeal any or part of the damage assessment with the exception of those who choose the "Express Checkout" option. If payment is not made by the resident or his/her parent or legal guardian whose signature appears on this Agreement, within thirty (30) days of the date the charge was placed on the student's College bill, a hold will be placed on all official College records, disallowing the student further access to the charge was placed on the student's College bill, a hold will be placed on all official College records, disallowing the student further access to registration and official transcripts until such time as the charge is paid. (See the Resident Student Handbook for more information.)

Removal of College furnishings from a resident's room may result in liability to the occupant(s) for the replacement cost of the item(s) or expense incurred by the College as a result of such unauthorized removal. No such removal shall be deemed authorized unless designated in writing, dated, and signed by the resident and the Assistant Vice President for Residence Life and Housing or his designee.

RULES GOVERNING RESIDENTIAL FACILITIES

Any person signing/accepting the terms of this document is required to comply with all College and Residence Life and Housing rules, regulations, and policies as stipulated herein and in the current Student Handbook, Resident Student Handbook and The Village Resident Handbook. The use of residential facilities is conditioned upon compliance with State and Federal laws and College regulations and is limited to residents and their authorized visitors or guests. Failure to comply with such policies, procedures, and regulations contained in this Agreement or in Student Handbook, Resident Student Handbook and The Village Resident Handbook or law may result in the imposition of administrative reassignment, College disciplinary action and/or civil and/or criminal action including the denial of on-campus accommodations. Students are responsible to report all violations of the Room and Board Agreement to College officials. The Assistant Vice President for Residence Life and Housing and his designee reserve the right to: (1) affect disciplinary action against a resident and/or revoke his/her privilege to use any residential facility for that resident's breach of any terms or conditions set forth in this Agreement and/or failure to comply with Federal or State laws and/or failure to comply with policies, rules and regulations, as set forth in this Agreement, the Student Handbook, Resident Student Handbook and The Village Resident Handbook; (2) repossess or reassign living units with notice; (3) periodically inspect living units to determine the condition thereof, in which case written notice shall be given at least two (2) class days in advance; (4) to affect other steps, including entry and inspection of living units necessary and advisable to the safety, maintenance, security and/or management of the residential facility and (5) make policy decisions regarding unforeseen circumstances that adversely affect the residential environment that are not specifically addressed in this Agreement, the Student Handbook, Resident Student Handbook and The Village Resident Handbook. Students upon whom sanctions are imposed in relation to this Agreement shall have the right to appeal. Such appeals shall be addressed to the appropriate administrative officer as provided in the College Student Handbook and/or Resident Student Handbook and/or The Village Resident Handbook.

Alcohol – The residential alcohol policy is governed by the Alcohol and Other Drugs policy as stated in the College Policies section in the Student Handbook. The College permits individual consumption and possession of alcoholic beverages by individuals who have attained 21 years-of-age and prohibits consumption and possession by persons under 21; this includes, but is not limited to, possession of empty alcohol containers. If, at any time, alcohol is found in a residential facility room, suite or apartment, all individuals in the presence of alcohol (i.e., guests, visitors, residents, etc.) may be found in violation of this policy. Structural modifications to the residential facilities, including the installation of wires or cords outside resident living units, are prohibited without prior written authorization from the Assistant Vice President for Residence Life and Housing. As part of their responsibility, residents are responsible for the actions of their guests whether those guests are students or non-students of SUNY Oswego.

The College reserves the right to establish and enforce those expectations for individuals in order to ensure reasonable compatibility with other residents of the living unit as well as health and safety. All residents are required to recycle.

**Keys** – Each resident is assigned keys, lock combinations and/or access cards when checking into residential facilities and is responsible for the return of keys upon termination of residence. Residents are prohibited from using, or having in their possession, pin numbers, combination codes, keys or identification/access cards which have not been assigned to them by the College.

**Noise** – Specific quiet hours are established and observed in all residential facilities. Courtesy hours are observed 24 hours per day. Individual halls and living units may extend quiet hours or establish specific additional quiet hours at their discretion and/or through the Community Living Agreement. **Overnight Guests** – Residents may have overnight guest(s) with the consent of all residents of the living unit for a maximum of three consecutive days (72 hours). All resident students, except those assigned to The Village, are required to participate in one of the five following meal plans:

The FULL MEAL Plan is a requirement for ALL FIRST YEAR students during their first semester on campus. For their second semester, the student may choose Full Meal Plan, Any 12 or the Any 9 Plan. In subsequent years, the student may choose from Full Meal Plan, Any 12, 9, 7 or 5 plans.

Note:
1) Meal Plan prices are based on the date of matriculation into a degree program in accordance with the “Oswego Guarantee.”
2) This Agreement is for the entire academic year (Fall 2017 and Spring 2018). Payments for meal plans are made TWICE YEARLY: Fall and Spring semester.
3) Meal Plan changes are allowed during the first three weeks of each semester.
4) Prices for 2017-2018 pending approval of the Auxiliary Services Board of Directors.

- The Laker Dining Dollars portion of the meal plan does not roll over from the Spring Semester to the Fall Semester.
- The first meal under this Agreement will be dinner on the new student arrival day as defined by the College Calendar for the Fall semester and all meals thereafter will be scheduled according to the Official College Calendar. The last meal served will be brunch on Commencement Day. Notices will be posted in the dining centers and residence halls during the year regarding meal service before and after recess periods. Payment for meals served which are not in the defined contract period (ie. recess periods) will be the responsibility of each individual.
- Students shall abide by the College’s rules and policies regarding their conduct and behavior while in a dining center. The Residence Life and Housing staff works cooperatively with the Dining Services staff in adherence to these policies. Deviation from these policies will result in disciplinary action by the campus judicial system.
