

This insert contains the most-up-to-date registration information available for new J-1 incoming international students. Therefore, please disregard the steps on pages 6-7 of the booklet.

New Registration Steps

Once you have been accepted to SUNY Oswego and you have received your DS-2019 Form by mail from the International Student & Scholar Services Office, you will need to complete the following steps in order to finalize your attendance to the university and register for classes.

STEP 1 Activate your Email Account and Laker Net ID

1. Visit oswego.edu/appstatus and click on "Check your status now!" on the right side of the webpage. Use the same login credentials as you used to apply.
2. Go to the New Student Menu
3. Activate email account and Laker Net ID

Remember to check your Oswego email account at least once per week, it's the University's official form of communication. Please allow up to 12 hours for your Laker Net ID to be activated.

STEP 2 Health Requirements

New York State Law requires new students to complete the Health History and Immunization Forms and provide information on their menu.

1. Visit oswego.edu/appstatus and click on "Check your status now!" on the right side of the webpage. Use the same login credentials as you used to apply.

(Continued on next page)

1. Go to the New Student Menu
2. Click on Health Requirements
3. Complete the Health History Form, Immunization Form, Meningitis Declination Form*
4. Fax or email your immunization records to Health Services, fax number: **(315) 312-5409**; email: **intlhealth@oswego.edu**. More information can be found at oswego.edu/walker-health-center/pre-orientation-health-historyimmunization-form.

You will need to allow 1-2 business days upon receipt of your documents and forms before you see the steps marked as complete in the new student menu. These steps must be marked as complete before the link to Step 3: Sign up for New Student Orientation will become live and accessible to you.

*This form is only required if you do not have proof of receiving the meningitis vaccine within 5 years from your date of enrollment.

***IMPORTANT:**

If you are under 18, you must have to have 2 MMR's prior to coming to Oswego, as New York State law does not allow you to receive it upon your arrival. Therefore, please communicate with **intlhealth@oswego.edu** to ensure the completion of health requirements. Otherwise, you will not be able to attend classes.

STEP 3 Complete the Housing Application

You will need to reserve your on-campus housing prior to your arrival to campus. To do so, please:

1. Login to myhousing.oswego.edu using your Laker Net ID
2. Click "Application" at the top of the page
3. Choose "New Student Housing Application"
4. Follow the prompts to submit your application
