

Student Involvement, the Student Association and the registered student organizations at SUNY Oswego have come together to create the collaborative resource center, which is The Point.

The staff and students of The Point offer the following programs, services, and workshops:

- Advisement and assistance provided to Student Organizations
- ALANA Leadership Conference & multicultural programming
- Assistance to Student Organization Advisors
- Fraternity & Sorority Community, Standards of Excellence, advisement & guidance
- Leadership Development
- Laker Life administration, training, and support
- Organizational Development
- Registration & Creation of Student Organizations
- Risk Management Training
- Student Involvement Fairs
- Student Activities Programming
- Student Governance
- Student Involvement Awards
