

*When you are asked by the CITI Training site to select your curriculum, you will be presented with a series of questions. Please choose the following options to populate your account with the correct courses for **students or faculty** conducting **biomedical** human subjects research.*

*Question 1 will ask you if you are interested in a COVID-19 related course. It is optional and up to you if you would like to opt into it.*

*For Question 2, select Human Subjects Research, Responsible Conduct of Research and Revised Common Rule:*

To enable the software to present the appropriate course work for your needs, you will be asked a series of questions. Please read the questions carefully and provide the most appropriate answer.

Do you conduct research in any of the following settings?

**This question is required. Choose all that apply.**

- Conflicts of Interest
- Human Subjects Research
- Health Information Privacy and Security (HIPS)
- Responsible Conduct of Research (RCR)
- Lab Animal Research
- CRC Foundations
- Revised Common Rule
- GDPR & Human Subjects Research in the U.S.
