he or she may operate or park on the subject premises. Vehicle must be legally owned by registrant or family member.

Every employee, student and visitor shall register each vehicle which he or she may operate or park on the subject premises. Vehicle must be legally owned by registrant or family member.

"Subject Premises"—the campus of the State University of New York at Oswego and any other premises or property under such college’s control.

b. Part time students are those registered for 12 or more credit hours. Part time students are those registered for 12 or more credit hours.

c. "Student"—any person registered as a student at the State University of New York at Oswego, or any other college or university within the State of New York, or any other college or university which is a member of the SUNY system.

3. The citation shall recite that if the fine has not been paid, a hearing may be requested within two business days after service of the charges by such alleged violator appearing in person or by mail to the University Police Department or such other place as may be designated on the citation.

Appeals for citations may be emailed to parking@oswego.edu within two business days from the date of the hearing officer's opinion if a hearing is requested. Otherwise, within five calendar days of the citation issuance.

4. No person shall:

• operate a motor powered snow sled or snowmobile on the subject premises without prior approval of the chief administrative officer or his/her duly authorized designee;
• provide any false or misleading information, whether by act or omission, when applying for any registration or permit pursuant to this Part or when otherwise requested or required by a college official to provide information based upon the status of a vehicle on the subject premises or grounds;
• operate or park a vehicle on the subject premises or grounds if the registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.
• All vehicles operated on the subject premises or grounds shall be registered or permitted as provided herein.

5. All changes in the State license or registration of a motor vehicle including, but not limited to, the addition or removal of shields shall be in accordance with applicable law.

Registration stickers shall be obtained by filing a vehicle registration application for each vehicle with payment of a registration fee as approved by the chancellor or designee for each application approved in accordance with resolution 72-186 adopted August 17, 1972, and 560 of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York. Shields shall be in a manner that will make them visible and legible from the roadways to the staff at parking services prior to registering the vehicle. This is to affirm ownership, validity and campus affiliation.

Registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.

4. No person shall:

• provide any false or misleading information, whether by act or omission, when applying for any registration or permit pursuant to this Part or when otherwise requested or required by a college official to provide information based upon the status of a vehicle on the subject premises or grounds;
• operate or park a vehicle on the subject premises or grounds if the registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.
• All vehicles operated on the subject premises or grounds shall be registered or permitted as provided herein.

5. All changes in the State license or registration of a motor vehicle including, but not limited to, the addition or removal of shields shall be in accordance with applicable law.

Registration stickers shall be obtained by filing a vehicle registration application for each vehicle with payment of a registration fee as approved by the chancellor or designee for each application approved in accordance with resolution 72-186 adopted August 17, 1972, and 560 of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York. Shields shall be in a manner that will make them visible and legible from the roadways to the staff at parking services prior to registering the vehicle. This is to affirm ownership, validity and campus affiliation.

Registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.

4. No person shall:

• provide any false or misleading information, whether by act or omission, when applying for any registration or permit pursuant to this Part or when otherwise requested or required by a college official to provide information based upon the status of a vehicle on the subject premises or grounds;
• operate or park a vehicle on the subject premises or grounds if the registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.
• All vehicles operated on the subject premises or grounds shall be registered or permitted as provided herein.

5. All changes in the State license or registration of a motor vehicle including, but not limited to, the addition or removal of shields shall be in accordance with applicable law.

Registration stickers shall be obtained by filing a vehicle registration application for each vehicle with payment of a registration fee as approved by the chancellor or designee for each application approved in accordance with resolution 72-186 adopted August 17, 1972, and 560 of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York. Shields shall be in a manner that will make them visible and legible from the roadways to the staff at parking services prior to registering the vehicle. This is to affirm ownership, validity and campus affiliation.

Registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.

4. No person shall:

• provide any false or misleading information, whether by act or omission, when applying for any registration or permit pursuant to this Part or when otherwise requested or required by a college official to provide information based upon the status of a vehicle on the subject premises or grounds;
• operate or park a vehicle on the subject premises or grounds if the registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.
• All vehicles operated on the subject premises or grounds shall be registered or permitted as provided herein.

5. All changes in the State license or registration of a motor vehicle including, but not limited to, the addition or removal of shields shall be in accordance with applicable law.

Registration stickers shall be obtained by filing a vehicle registration application for each vehicle with payment of a registration fee as approved by the chancellor or designee for each application approved in accordance with resolution 72-186 adopted August 17, 1972, and 560 of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York. Shields shall be in a manner that will make them visible and legible from the roadways to the staff at parking services prior to registering the vehicle. This is to affirm ownership, validity and campus affiliation.

Registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.

4. No person shall:

• provide any false or misleading information, whether by act or omission, when applying for any registration or permit pursuant to this Part or when otherwise requested or required by a college official to provide information based upon the status of a vehicle on the subject premises or grounds;
• operate or park a vehicle on the subject premises or grounds if the registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.
• All vehicles operated on the subject premises or grounds shall be registered or permitted as provided herein.

5. All changes in the State license or registration of a motor vehicle including, but not limited to, the addition or removal of shields shall be in accordance with applicable law.

Registration stickers shall be obtained by filing a vehicle registration application for each vehicle with payment of a registration fee as approved by the chancellor or designee for each application approved in accordance with resolution 72-186 adopted August 17, 1972, and 560 of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York. Shields shall be in a manner that will make them visible and legible from the roadways to the staff at parking services prior to registering the vehicle. This is to affirm ownership, validity and campus affiliation.

Registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.

4. No person shall:

• provide any false or misleading information, whether by act or omission, when applying for any registration or permit pursuant to this Part or when otherwise requested or required by a college official to provide information based upon the status of a vehicle on the subject premises or grounds;
• operate or park a vehicle on the subject premises or grounds if the registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.
• All vehicles operated on the subject premises or grounds shall be registered or permitted as provided herein.

5. All changes in the State license or registration of a motor vehicle including, but not limited to, the addition or removal of shields shall be in accordance with applicable law.

Registration stickers shall be obtained by filing a vehicle registration application for each vehicle with payment of a registration fee as approved by the chancellor or designee for each application approved in accordance with resolution 72-186 adopted August 17, 1972, and 560 of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York. Shields shall be in a manner that will make them visible and legible from the roadways to the staff at parking services prior to registering the vehicle. This is to affirm ownership, validity and campus affiliation.

Registration or permit for any vehicle under such person’s control, by reason of ownership or otherwise, has not been provided or a registration application or permit request made by such person has been denied.

munity members and guests and to promote order and ease of movement

to the University Police Department and registration(s) shall be revised upon payment of a fee as approved by the chancellor or

to the staff at parking services prior to registering the vehicle. This is to affirm ownership, validity and campus affiliation.

VEHICLE REGULATIONS & PROCEDURES for Registration, Traffic & Parking

Registrants must display their state vehicle registration card to the staff at parking services prior to registering the vehicle. This is to affirm ownership, validity and campus affiliation.

Each vehicle to be operated or parked on the school’s property is part of the college community and shall display current, legible vehicle identification stickers, permanently affixed to the INTERIOR of the driver’s side window of the vehicle, that have not been tampered with in a manner that will make them visible and legible from the front of the vehicle. Crossing such stickers or stickers that are not transferrable. Taping or clipping such stickers is not considered as being permanently affixed. Violators of this rule shall display sticker on front tires next to inspector.

Regulation relating to a vehicle registration application for each vehicle with a registration fee as approved by the chancellor or designee for each application which has been issued shall be paid at the cashier and/or by credit card. Violators of this rule shall display sticker on front tires next to inspector.

Regulation relating to a vehicle registration application for each vehicle with a registration fee as approved by the chancellor or designee for each application which has been issued shall be paid at the cashier and/or by credit card. Violators of this rule shall display sticker on front tires next to inspector.

Regulation relating to a vehicle registration application for each vehicle with a registration fee as approved by the chancellor or designee for each application which has been issued shall be paid at the cashier and/or by credit card. Violators of this rule shall display sticker on front tires next to inspector.

Regulation relating to a vehicle registration application for each vehicle with a registration fee as approved by the chancellor or designee for each application which has been issued shall be paid at the cashier and/or by credit card. Violators of this rule shall display sticker on front tires next to inspector.

The citation shall recite that if the fine has not been paid, a hearing may be requested within two business days after service of the charges by such alleged violator's appearing in person or responding by mail at the University Police Department or such other place as may be designated on the citation.

No person shall:

a. Operate a motor powered snow sled or snowmobile on the subject

b. Operate a motor vehicle on a pedestrian pathway, sidewalk or cross-

c. Operate a motor vehicle within any residence halls and/or other

Residential Parking permits are designated by zone. Campus residents housed within a particular zone will only be permitted to park in unreserved resident lots within that zone. Vehicles parked outside of their permitted zone will be subject to ticketing.

V = Registered Visitor
ALL VISITORS must register with the Parking Services Office. Temporary and Visitor Parking Permits are available at the University Police Department in Pathfinder Hall (315-312-5555) when the Parking Services Office (315-312-3227) is closed or online at www.oswego.edu/parking.
Visitor B-permits & Visitor G-permits are available from the sponsoring office or from the Parking Services Office.

Handicapped Parking
Those with both valid Campus Permit and Handicapped Permit may park in any numbered lot in addition to designated Handicapped parking. Parking is available for persons with special medical needs in every parking lot. See regulations 583.4 (3) for procedures.
