Complete the Village Housing Application, including accepting terms of the 2022-2023 Residence Life and Housing License via [myHousing.oswego.edu](http://myHousing.oswego.edu).

- ✓ Read & sign the Residence Life and Housing License. *This contract is a binding agreement for the full academic year.*
- ✓ Answer all application questions.
- ✓ Continue until you reach the "Thank You" page, then log out.

## Step 2: Match Mates & Complete Agreements

Current Residents Only • Feb. 1 - 14, 2022

All Village Room Selection Participants •  
Feb. 16 - 24, 2022

Match housemates via [myHousing.oswego.edu](http://myHousing.oswego.edu). Students requesting a mixed-gender townhouse must complete the Gender Inclusive Agreement at [myHousing.oswego.edu](http://myHousing.oswego.edu).

## Step 3: Select Room for 2022-2023

**Choose from available space** via [myHousing.oswego.edu](http://myHousing.oswego.edu) according to your lottery number/start time.

**Be prepared!** When signing up for a townhouse, each individual member of your group must be assigned to a specific bedroom.

Residence Life and Housing will assign students that complete the Village Housing Application, but do not select a room. Not selecting a room during Village Housing Selection does not release a student from the Residence Life and Housing License.

All current students may participate in the Room Selection Process starting in the spring semester. This online process allows students to reserve their residence for the upcoming academic year.

**All current first year students are required to live on campus for next year.**

Participation in Room Selection **guarantees** the student on-campus housing for the entire academic year **AND obligates** the student to live on campus for the full academic year. Students who are not required to live on campus should only participate in Room Selection (Village Selection and Residence Hall Room Selection) if they are 100% sure they want to live on campus for the entire upcoming academic year.
