

Exploring Nature Scholarships Fund

Exploring Nature each summer connects children and the outdoors by engaging them in hands-on nature experiences. As a result of your support, scholarships were awarded so that children could participate in this summer's Exploring Nature program.

In addition to several members who time and again have given to the Exploring Nature scholarship fund, recent contributions included a generous monthly direct deposit from one individual and a significant donation from one family. Many thanks to those who donated!

Susan Ansara
Laurel & Don Artz
Paulia Bates & Frank Meeks
Eleanor Filburn
Robert Foster
Jim & Lynne Keefer

Herb & Patricia Lightner
Sharon & Mark Morey
Al & Joy Oliver
Chris Richmond
Johanna VanGeet

mid-2016 to mid-2017

If ***you*** would like to donate, then send your tax deductible contribution payable to Oswego College Foundation/EN Program for Children to Rice Creek Field Station, SUNY Oswego, Oswego, NY 13126. Include your name, address and email to receive your receipt and our thank you note.
