Dear Dr. Over, Dr. Windt, Tania, Taylor,
Thank you very much for coming to Frog Friday. My group wanted to share these things with you.

1. I liked learning about how you whole frogs to see if they are healthy.
2. I liked learning about the Villa because I knew that they eat flies.
3. I liked learning that the soil made a frog's skin sticky.
4. I liked learning that the soil made it sticky.
5. I liked learning that B0 made the frog's skin sticky.

RICE CREEK FIELD STATION
Thank you, Dr. Jackson! These are four of our favorite things that we saw while at Rice Creek Field Station.

I like the pond fish.

I like the bridge.

I like the four seasons pictures.

I like the animals.
