

Instructions for Retiree SEFA Pension Deduction Authorization Form

Retirement & State Employees Federated Appeal

SEFA is currently working with OSC, New York State and Local Retirement System to offer retirees the ability to donate through your pension check. If you would like to donate through a deduction in your pension check, a signed deduction authorization card (attached) is required.

SEFA is currently required to have a signed, hard copy of the deduction authorization card mailed to the office at:

**Statewide SEFA Council
c/o United Way GCR
1 United Way
PO Box 13865
Albany, NY 12212-3865**

Should you choose to make a retiree pledge, please also notify [Angela Galvin](#) via email so that the SUNY Oswego SEFA Planning Committee can acknowledge your donation.

Be assured that pension check deductions will not start until you have been notified that they will begin. Please call Alicia Otis at 518-782-7332 with any questions.
