Resident students in need of housing over Thanksgiving Recess can make arrangements by contacting the Office of Residence Life & Housing, 303 Culkin Hall, 315-312-2246.

Prior to leaving the residence halls for break, students are reminded to close and lock the windows, empty their wastebaskets, turn off all lights and alarm clocks, generally clean the room and **LOCK THE DOOR. STUDENTS WILL BE BILLED FOR TRASH LEFT IN THE ROOM.**

Special precautions will be taken by the College to ensure building security. Residence hall staff members will check all rooms after the building has been locked to make certain that rooms are secured and that there are no obvious hazards. Once this inspection has been completed, student rooms will not be entered unless there is a special reason to do so. In such cases, a note will be left informing the residents of the time, date, and reason for entry. Also, the residence halls are patrolled regularly by University Police during the recess period and any unauthorized persons entering, attempting to enter, or found in the building will be subject to arrest. Students should be aware that the discovery of the possession of any materials which violate State laws or College regulations may be confiscated and may lead to disciplinary action.
