

## **FIRE AND LIFE SAFETY (FLS #2)**

### **Research essay:**

You are required to watch a fire safety video, 'Get Out and Stay Alive' at <https://www.youtube.com/watch?v=A5zk3O2af8U&t=136s>. You must also review the 2017-2018 Student Handbook for additional information on your specific violation. Look for policies, procedures and other information that related directly to what you did, why it was a violation of policy, law, etc.

Upon completion of your research in the handbook and viewing of the video, you are to submit a 1000 word essay describing the information you obtained. You are responsible to discuss fire and life safety issues, particularly as they relate to residential living and the responsibilities of community members to abide by those regulations. You are to integrate this information to explain your responsibility to the Oswego State community and how your actions interfere with the peace and safety of the Oswego State community. Also comment on your experience with this entire process, what you have learned and what you could have done differently.

### **Essay Guidelines:**

- The **minimum** length of this essay is 1000 words.
- This essay must be typewritten, double spaced, and free of spelling/grammatical errors.
- Do not use a font larger than 12-point font size; do not use courier or new courier.
- Please include your name, student ID number and the title of your paper as a header.
- Should I find that your work is not acceptable, you will be required to rewrite the paper.

### **Community Service:**

You must complete **5 hours** of community service in your residence hall. You must contact the Resident Hall Director to arrange this service.

### ***When service is complete:***

- ⇒ Have the supervisor of the service project sign and date the Community Service Timesheet.
- ⇒ Sign and date the Community Service Timesheet verifying you have completed assigned community service hours.

**Deliver both the essay and the Community Service Timesheet to Student Conduct, 501 Culkin Hall by the due date.**
