

## October *fall into sustainability*

### Shop Locally

#### Ontario Orchards

Ontario Orchards is a local business that sells fresh vegetables, fruit, baked goods and many other items. They have great apple cider and pumpkins. Ontario Orchards also sells fresh donuts on Friday, Saturday, & Sunday for 60 cents each.

Address : 7735 St. Rte. 104, Oswego, NY Hours: 7am-7pm

#### Thrifty Shopper

There is a 25% discount for students on Thursdays at Thrifty Shopper! Thrifting is a great way to get clothing for a discounted price. By reusing clothing, you help to decrease both the amount of clothing sent to a landfill as well as the harmful pollution created by the fashion industry.

### Upcoming Events

#### Sustainability Week - October 21st -25th

October is National Sustainability Month! We will be having programs focused on water issues, food issues, and many more. Stay tuned!!

#### Politics

The Climate Strike on campus went very well! Thank you to everyone who came out and helped support the cause, and a special thank you to our guest speakers! Remember that you too can make a change, everyone has a voice. The next general election is on November 5th. Make sure that you are registered and that you get out and vote!

### PUMPKINS

*Instead of just throwing your pumpkin into the garbage consider composting it. If you do not have access to a composting bin and you are interested in composting a pumpkin, we can help! Send us an email with 'Pumpkin' in the subject line.*

### Questions?

We're located in 126A Hewitt Union and are happy to answer them!
